# Team USB Disk (C141)

**Streamlined exterior with ergonomic push button design makes your life easier than ever!**

Team Color C141 pen drive features a sliding USB connector, which smoothly extends from the drive at the push of a thumb in only one second. Cap-less design eliminates problem of lost drive caps. The scratch-free, 3D-feel, matte and glossy contrasted texture and streamlined exterior design with ergonomic push button make C141 more elegant and comfortable than ever.

With ultra-thin 8.4mm design, C141, which is designed to enhance user experience, fits comfortably between thumb and finger, the easy-to-grip contoured design requires minimal effort when unplugging from a USB port. C141 is fully compatible with Hi-Speed USB 2.0 interface and different capacities for selection.

Fits comfortably  
between thumb and finger

8.4mm

With a thickness of just 8.4 mm, A compact design of C141 fits easily into your pocket or computer bag.

## Capacity and Stylish Embodied

Combining a glossy contrasted texture with ample capacity, C141 USB flash drive packs a generous capacity into a streamlined exterior design USB drive. Available in sizes up to 64GB, the flash drive can accommodate photos, songs, videos, and all of your favorite data. You can download/upload those data with simply Plug-N-Play.

## Easy Thumb Activated Cap-less Design

The USB connector is covered in the fully-protected body without a drive cap. A simple thumb swipe forward makes it ready to use, and retract USB connector for protecting it from damage when it's not in use.

Durability > 10,000 times

Providing more than 10,000 usage times durability and Lifetime warranty, C141, with multi-colors for selection, is your best portable storage device on daily basis.
